

Mahmoud Mohamed Ramadan

Front-end Developer (React.js)

✉ mahmoud16601770@gmail.com ☎ 01098491014 📍 Fayoum  LinkedIn  GitHub

PROFILE

Frontend Developer passionate about building modern, responsive, and high-performance web applications. Proficient in HTML, CSS, JavaScript, Bootstrap, Tailwind, React, and Next.js, with experience translating Figma designs into clean, scalable, and maintainable user interfaces. Focused on delivering excellent user experiences, writing clean code, and continuously improving frontend performance and best practices.

EDUCATION

The Egyptian E-Learning University - EELU, 09/2022 – 07/2026
Bachelor's Degree in Computers and Information Technology

COURSES

Web Design, NTI – National Telecommunication Institute 04/2025 – 05/2025

- Built responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Applied UI and UX fundamentals to create clean and user-friendly layouts.
- Used Figma basics to understand design systems and translate designs into functional interfaces.

MEAN Stack, NTI – National Telecommunication Institute 06/2025 – 07/2025

- Learned and applied the fundamentals of Frontend Development using modern web technologies.
- Built small-scale web applications focusing on structure, responsiveness, and clean code.
- Strengthened problem-solving skills and understanding of web development workflows.

SKILLS

Technical Skills

- Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript
- Frameworks & Libraries: React.js, Next.js, Bootstrap, Tailwind CSS
- Tools: GitHub, Figma, VS Code, Chrome DevTools

Soft Skills

- Problem Solving
- Creativity & Attention to Detail
- Team Collaboration
- Time Management
- Continuous Learning
